The 1959

Oxonian

FOREWORD

This yearbook, a magic mirror of one year's attainments, reflects confirmation of unerring progression of Oxford High School. I wish to thank our loyal and helpful advisor, Miss Mary Ellen Williams and the entire staff, who have given tirelessly of their time and efforts to help make this annual a success. I wish to express thanks to all the people who have contributed to the publication of this annual, and I thank you, the students and faculty of Oxford High School, for the support and co-operation you have so willingly given the staff.

Throughout the year, from our first meeting to the last, we have worked to produce an annual which you, as well as we on the staff, will long be proud. We trust that we have accomplished this goal and that you will find many hours of pleasure as you turn the pages of this book.

With these facts in mind we now present to students, friends, and faculty of Oxford High School, your 1959 OXONIAN.

For the completion of a very praiseworthy task, my congratulations to the staff and advisors of the 1959 edition of the OXONIAN.

Achievement in itself is reward—but true reward will come with the recalling of pleasant memories when today has become a part of the past.

The Appian Way

Dedication

This year we are dedicating our yearbook to one who, during the years she has been a member of the faculty, has given us guidance, courage, understanding, and friendship. She has worked wholeheartedly for the over-all improvement and the continued progress of Oxford High School.

In appreciation for her sincere service, we gratefully dedicate the nineteen hundred and fifty-nine OXONIAN to MRS. GLADYS S. SATTERWHITE.

THE TORCH

The Torch is the stately symbol of light. Carried down through the ages, the Torch has been the embodiment of all knowledge and culture. This emblem, with its flames reaching ever upward, represents man's growing achievements in the past and his hopes for an illustrious future.

ROMAN FORUM

The Roman Forum was a section of ancient Rome, which was the center of all public activities. In the early days of Rome, the Forum was merely an open gathering place. As the city grew, shops were built about the edges, and temples grew up. Later it was reserved for legal and public affairs, and the shops moved to new places. The Emperors of Rome took pride in ornamenting the Forum with buildings, arches, and statuary. It became a very impressive sight, with its pillared temples, gleaming columns, and shaded walks.

The Student Association of Oxford High is composed of a president, vice-president, secretary, and treasurer, who are elected by members of the student body, two representatives from each home-room and a faculty advisor.

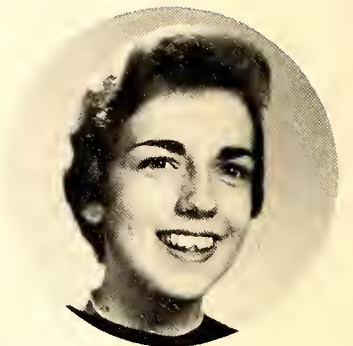

The purposes of the organization are to create opportunities for closer cooperation between students and faculty, to provide opportunities for student self-direction, to foster all worthy school activities, to provide for discussion of questions of

interest to the student body, and to create and maintain standards of good citizenship among students.

As a means of fulfilling these purposes, standing committees are appointed to help meet the basic needs of students and faculty members; special committees are appointed as the need arises. The association also sponsors various projects and activities which are of benefit to Oxford High School.

Students currently taking Latin, as well as those who have previously studied it, are eligible for membership in "Cognoscamus" Latin Club. The name implies the purpose of the organization: "Let us learn." Through their programs, as well as classwork, the students demonstrate that Latin is definitely not a dead language, for it is a living heritage in our speech and customs.

Our hats are off to this group of students. Their fine record of safety and punctuality is a credit to our school. The School Bus Drivers' Club of Oxford High School is composed of boys and girls who drive our nine school buses and their assistants.

The purposes of the club are: to promote harmony between driver and administration, State Highway Patrol, and maintenance department; to promote safe

driving; to discuss problems of drivers; to promote cleanliness of buses; to regulate bus schedules; to regulate problems of overloading; to promote more practical routes.

Any certified and licensed bus driver may become a member. The meetings are held twice a month during school; a monthly supper is held by the members.

The Bible Club has as its objective increasing interest in and obedience to the Word of God. Members are encouraged to take part in weekly devotionals given at the beginning of each chapel period. This experience helps the members to have practice in leading devotional periods. The club chooses a project each year. Some of these have been as follows: putting Bibles in hospitals, giving programs at the county.

home, providing for a needy family in the autumn and in the spring, sponsoring moving pictures on some phase of the Bible story or on some great moral teaching.

It is hoped that the members of the Bible Club will encourage each other in the setting of a good example of honesty and obedience to school regulations.

The Future Farmers of America of Oxford High School is affiliated with State and National Chapters. Anyone who is enrolled in Vocational Agriculture is eligible for membership in the club. A boy must be 14 years old and be accepted by the members and the advisor.

A few of the purposes of the club are as follows:

1. Develop agricultural leadership;
2. Create more interest in the intelligent choice of farming occupations;
3. Develop character, train for useful citizenship, and foster patriotism;
4. Encourage and practice thrift.

The club meets twice a month during school and twice during the summer. Contests in six different phases of farming are sponsored each year with other schools. Each summer a group of boys attend either Tom Brown or White Lake Camp for recreation.

COACH
JOHN PARHAM

The Junior Varsity Basketball Team led by Captain Billy Frazier is made up of ninth and tenth grade boys who are preparing to become future varsity stars. The J. V. Team opened the season with a win over the always powerful Northern J. V.'s, but then suffered a loss to the Jr. Red Devils. We know the J. V.'s will receive valuable experience whether winning or losing this season.

*To old "Drunkie", the best

FOOTBALL

The 1958 Football Team, led by Co-Captains Wilbur Longmire and Charles Belcher, finished its season with a 1-9 record. The team defeated Scotland Neck by a score of 28-0, while losing to Roxboro 34-13, Chapel Hill 19-7, Graham 14-13, Northern 32-7, Oxford Orphanage 6-0, Hillsboro 13-6, Henderson 6-0, Southern

Durham 13-7 and Bethal Hill 13-6. Despite our record for this year, the team is looking forward to being a contender for the 1959 District III crown.

Co-Captain Wilbur Longmire was honored by receiving a berth on the 1958 District III All-Conference team. This team is selected by the coaches of each school and it is quite an honor to be placed on it. This is the fourth year that Oxford High School has placed a boy on this squad.

The 1959 "Wildcats" will be clad in new uniforms which will feature cardinal helmets and pants, with gray jerseys.

Best of luck to these boys!

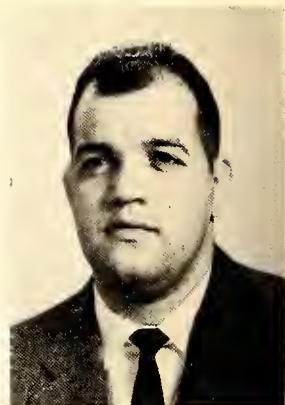

TRACK

The track team, Oxford High School's newest sport, finished the 1958 season by losing only one meet. In a triangular meet between Oxford Orphanage, Roxboro, and Oxford, Oxford won second place. We defeated Southern Durham, Oxford Orphanage, and Henderson. Several boys were lost by graduation; however, the following lettermen, who will return, are looking forward to a winning season: Charles Belcher, Wilbur Longmire, Joe Wheeler, Finley Johnson, Calvin Hester, Roy Dean, Donnie Hawks, Bobby Finch, Garland Talton, Ray Williford, and David Norris.

Each boy may enter three events, which are as follows: 100-yard dash, 220-yard dash, 440-yard dash, mile, shotput, discus, broad jump, and pole vault.

The track team is directed by Coach John Parham, who has been given much credit for organizing track throughout the District III Conference. Although the schedule for 1959 has not been published, we are sure that this team will represent Oxford High School in an excellent manner.

BASKETBALL

The 1958-1959 Basketball team, led by Co-Captains Edwin Knott and Charles Stovall has started this season off with a bang! Unheard of for the past three years, these boys have made quite a name for themselves by defeating such teams as: Oxford Orphanage, Fuquay Varina, and defending champion,

Graham. However, one of the greatest thrills of the year came on January 7, 1959, when these boys trounced arch-rival Henderson by a score of 50-31.

Under the guidance of a newcomer to Oxford High School, Coach Al Habit, the team has acquired a new and vigorous desire and determination to win. The team includes Seniors, David Ford, Edwin Knott, Wilbur Longmire, William Lytton, Charles Stovall; Juniors, Charles Belcher, David Norris, Ray Williford, Bobby Finch; Sophomores, Billy Adcock, Harper Ruff, and Billy Daniel.

We hope that this team will keep fighting and stay in the winning bracket!

BASEBALL

The 1959 Oxford High baseball team, led by Captain David Ford, is looking forward to a winning season. Returning lettermen will be as follows: Harper Ruff, Jimmy Frazier, Billy Daniel, Jimmy Parrott, Ray Dickerson, David Ford, Jessie Currin, Bobby Grissom, Billy Elliott, Jimmy Hester, Cas Spencer, and John Critcher. These boys, along with other boys coming up from the Pony League, will comprise the team. Oxford High School will face such teams as: Oxford Orphanage, Henderson, Northern Durham, Southern Durham, Hillsboro, Cary and Fuquay Varina.

Last year these boys had a winning season under the direction of Coach Roy Smith. This year the team, directed by Coach Al Habit, will play its home games at the Oxford Recreation Park. At the end of the year a Most Valuable Player award is presented to one of the players selected by his fellow teammates. Last year's winner was Jackie Barnes. This award is presented at the annual V.F.W. banquet for all sports. We would like to take this opportunity to thank the V.F.W. for its consideration and support.

PAN

Pan, the god of woods and fields, of flocks and shepherds, dwelt in grottos, wandered on the mountains and in valleys, and amused himself with the chase or in leading the dances of the nymphs. He was fond of music and was the inventor of the shepherd's pipe, which he himself played in a masterly manner.

MARS

Mars was the god of war, the personification of the angry clouded sky. Never sated with strife and bloodshed, this god preferred the din of battle to all other music. No gentle deeds of kindness were ever expected from him; no loving prayers were ever addressed to him. The ancients felt no love for him, but shuddered with terror when his name was mentioned.

MERCURY

Mercury, the son of Jupiter was the messenger and Herald of the gods. He conducted the dead to Hades. This god, who was guardian of travelers, roads and commerce, was also gifted with trickery and was the protector of thieves. He wore a winged cap and winged shoes and bore in his hand a rod entwined with two serpents, called the caduceus.

ATHENA

This stately figure—the Goddess of Wisdom—was the daughter of the king of the gods, Jupiter. She was said to have leaped forth from his brain, mature and in full armour. Her power and wisdom were proven when she created the olive, thus receiving the honor of having the city of Athens named after her.

Class Night Speakers

Left to right: Fielding Walker, Introducer of Seniors; Christine Hicks, Class President; Callie Frazier, Historian;

Mary Lou Morgan, Poet; Charlotte Easton, Prophet; Mary Helen Blackwell, Giftorian; William Lytton, Testator.

The apple of the Seniors' eyes this year is little Teresa Currin, daughter of Mr. and Mrs. Luther W. Currin. Teresa is eight years old and in the second grade. Her favorite subject in school is reading. This animated little girl likes Popeye, playing with her hula-hoop, and eating hot dogs.

The Seniors wish for Teresa a future which will be filled with much happiness and success!

Guess Who?

Junior High

CUPID

Cupid, the god who ruled all emotions of love, was pictured as a winged, naked boy with bow and arrow. The son of Venus, the Goddess of Beauty, this mischievous little god never grew beyond childhood. Armed with his bow and arrow, he shot his darts of desire and passion into the hearts of both gods and men: an arrow from his bow would create love in the breast of whatever god or mortal it wounded.

Advertisements

These are the businessmen, firms, and companies which advertise in your yearbook. Their livelihood depends upon courteous, efficient service to you as a student, as a part of the general American public. They need you as you need them to supply necessities and luxuries. Close co-operation between students and advertiser will result in a happier and more prosperous life for both.

Investigate Career Opportunities In Textiles

Future Outlook — Promising

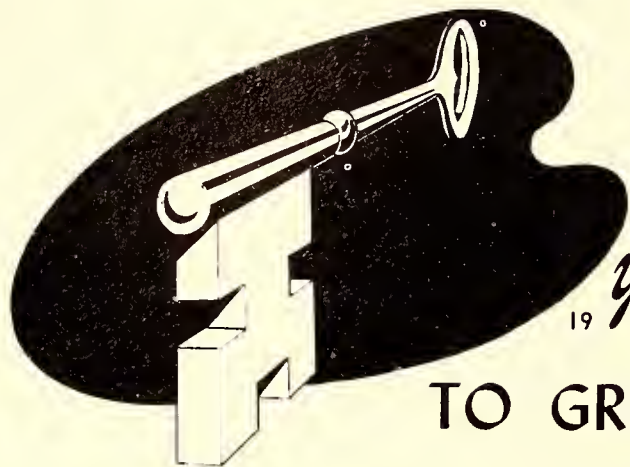

We live in a growing America. Our nation is dedicated to progress and the advancement of man and his world. And only through education can the necessary progress of the future be accomplished.

In textiles, tremendous forward strides are being made. Revolutionary new fibers and processes are giving Americans better and more attractive fabrics, for every purpose, than ever before.

Burlington Industries and its member companies and plants are proud to be an important part of one of America's most essential industries.
